STAR GAZE

It seems there's been
some confusion. So to set
you straight, in the dis-
trict there are four chap-
ters of Beta Sigma Phi.

There is Zeta Epsilon, a
Williamstown, Zeta Mu at
Altona, Epsilon also at Al-
tona and Mu Chapter at
Werribee.

Zeta Epsilon has an art
show in early March, not
to be confused with Zeta
Mu's in October.

The ladies from Epsilon
looked after the art show
in the Civic Offices recent-
ly, and the Mu's at Werri-
bee have their own at
another time.

I can't see why it's con-
fusing...

A team is nicknamed the
Yo-Yo's. One week they're
up, the next they're down.

The team, hopefully, is
at the end of the string
and about to come up
again.

You either hate him or
you love home, but there's
no disputing the fact that
he's different. We're
talking about a young
ticket collector at New-
port station. Each morning
waiting train travellers get
a running commentary on
the young chap's move-
ments and observations
via the station micro-
phone. Example: I am put-
ting my hat on... and
talking into the micro-
phone, a pretty young girl
is watching. Say a few
words... look out here
come de train... all
change pliss... al-
changepliss.

This train's not going. Such
a talented young man must
cost the government a for-
tune.

SHOPKEEPERS ARMING AGAINST CRIMINALS

Altona shopkeepers armed themselves to
prevent a wave of breakings in the Pier Street
business area.

In the past 12 months nearly every major
business in the area has been broken into and
goods valued at hundreds of dollars were stolen.

Police believe that the
thieves are an organised
gang, systematically
working over the Pier
Street area.

Recently the thieves
seemed to be con-
centrating on cigarettes.

Police ask anyone who
is offered cheap cigarettes
to report the matter to
them.

Altona Police Sergeant
Mr. Harry Day said: "We
expect early arrests."

Shopkeepers are reluc-
tant to speak about the
breakings.

They feel that individual
publicity will single them
out for more attacks.

On March 26, a letter
was sent to the Police De-
partment by the Altona
Council requesting in-
creased police surveillance
and information on the

building of a police station
at Altona North.

At a recent council
meeting, Mr. A. L. Carmi-
chael, the acting Deputy
Commissioner of Police
replied that extra patrols
had been instituted and
that the building of a po-
lice station at Altona
North was under consid-
eration.

At last Tuesday night's
council meeting it was
revealed that no allocation
had been made to build
the station this financial
year.

Cr. C. Carlsson moved
the original motion for
increased police surveil-
lance.

He told The Star this
week: "I don't think the
present situation makes
anyone feel more se-
cure."

The patrols are good
but only as a stop-gap
measure, while the long
drawn-out business of
building a police station at
Altona North is speeded
up.

FAMILY'S BAD LUCK

Cr. Ray Richards and his family are having their fair share of
bad luck lately.

Their eldest child and
only son, Mark, 13, died
on April 21, after a sud-
den illness.

About a week later his
sister, Donna, 11, had her
skull fractured when a
piece of playground equip-
ment fell upon her.

She sustained a slight
concussion.

Last Friday she came

out of hospital and rested,
prior to the family going
away for a quiet holiday.

Donna is the eldest of
three children, her two
sisters, Andrea and Fiona,
aged five, are twins.

Cr. Richards said after
the events of the past
fortnight he was taking
his family on a quiet hol-
iday to get away from it
all.

He, his wife, Pat, and
the children will visit re-
latives and friends in Bend-
igo and Swan Hill.

OPENING OF APEX PARK

The Mayor Cr. Doug Grant officially
opened Apex Park, Altona at the week-
end.

In his speech he
thanked Apex for their
selfless work over the
past 10 years and said
that it stood as a trib-
ute to Apexians both
past and present.

His speech was pre-
ceded by a short
speech by ex-Apexian
Cr. Harry Waver, who
recounted the feelings
he had about the park.

He said: "When we
started it was just a
swamp, and for a
while it seemed as
though we were just
pouring money into the
dirt.

"There was a small
creek into which we
emptied many truck-
loads of filling, some of
the truckloads were
just one rock.

"After it was put in
it just disappeared, but
eventually it filled."

Mr. George Kill-
ingback, Altona Apex
president estimated
Apex had spent \$9211

and more than 3400
man hours on the pro-
ject since it was begun.

The land was of-
ficially handed over to
the club in 1961, and
work was started in
1965.

Grant congratulates

George Killingback
for the work the

for the public.

AROUND THE SCHOOLS

ST. JOSEPH'S
The St. Joseph's Girls School Drama Group won a certificate of merit at the recent Dandenong Arts Festival.

They performed the play *The Importance of being Earnest*.

The school has also been involved in a number of inter-school debates.

One honor bestowed on the school this week was a trophy for the best school garden in the area.

Sister Stanislaus who is running the school in the absence of Sister Anne said she and the school were pleased about the honor.

A number of sixth form students from the school recently attended a Christian Experience Camp at Milgrove.

Sister Stanislaus said the students behavior was excellent and they all thoroughly enjoyed themselves.

The "New Faces" talent quest at the school has been quite a success, raising more than half the money necessary for a set of encyclopaedia.

Many students have performed in the quest, which has been held during lunch times.

The past students of the school gathered last week for a re-union.

Many of the guests were the first university graduates from Monash University.

The students held a free dress day at the school last week.

The money raised will be used to buy sports equipment.

ST. MARY'S PRIMARY
Two of the school's teachers, Miss Bernadette Moore and Miss Nancy

Lococo, will be married in the school holidays.

Miss Moore teaches grade three and Miss Lococo grade five.

Both will be returning to school.

Another teacher, Mrs. Margaret Hodgins, has left the school.

The Parents and Friends group met at the school last week to organise a working bee.

Both Saturday and Sunday mornings during the holidays parents will help sand floors in the school.

Anyone interested in helping should be at the school at 8 a.m.

Next term the school hopes to have the vacant lot next door cleared for the children to play in.

ST. LEO'S PRIMARY
The school children celebrated a break-up Mass at the church last Friday.

All pupils took part in the service, and gave tokens of their work and play during the term.

The celebrant was Father Kierce, the parish priest.

Two boys, Gavan Dark and John Cocks, assisted in the Mass, collecting the children's gifts, the readings were given by Mrs. Pucko.

The winner of the school's Mothers' Day raffle was Daniella Oggetti, a student at the school.

Daniella won a decorated Mothers' Day cake.

The cake was made and donated by Mrs. Dwayne Senior.

ALTONA NORTH TECHNICAL SCHOOL
About 160 boys from the school have just returned from a week-long camp in Ocean Grove.

The principal, Mr. MoInnes, said the boys

seemed to have enjoyed themselves thoroughly.

They were accompanied by five teachers.

Two new teachers will start at the school after the school holiday. They are Miss Judy Dyson, an art teacher, and Mrs. Donna Fitch, a maths-science teacher.

A portable schoolroom, which will be used for remedial readers, will also be installed during the school holidays.

The hall at the school was used three times during the recent Altona arts festival.

They boys had a free dress day on the last day of school.

They each paid 10 cents for the privilege.

Proceeds will aid Footscray and District Hospital's Project Care. The boys raised \$60 at the free dress day.

ALTONA PRIMARY SCHOOL
Tenders close on May 14 for the new school library.

Mr. Paul Hurst, a teacher at the school played in the first 18 for Carlton on the weekend.

Mr. Charles Trickey, the chairman of the school committee planted several trees along the school's boundary this week.

The trees were given by the Altona council.

ALTONA EAST STATE SCHOOL
The school's new library has been carpeted and is now open to students.

Two librarians have been appointed, Mrs. L. Korbut, who will join the full time staff of the school and Mrs. Joan Farmer who will serve part-time.

The library was completed with the school's other new classrooms.

The mothers' club held a successful Mother's Day stall last Friday.

FOOTBALL

Altona under 18's defeated Laverton in the last round of the open age football competition at the weekend.

Playing at Laverton, Altona proved too experienced and handed out a 33-point hiding to the home side.

Altona tried hard all day and are still an improving side.

Best players were M. Payne, F. Monk, J. Dalton, A. Nollans, and P. Howells.

Final scores were Altona 14.15 (99), Laverton 5.6 (36)

Laverton had to fight for the win after trailing all day.

Final scores were Laverton 16.11 (107), Kingsville 16.8 (104).

TO CATCH A FISH—

Some people still catch fish by wading in rocky pools in their bare feet and grabbing with their hands.

Young tikes still try using a piece of string with a bent pin on the end.

But older fishermen usually prefer to have at least one assured catch to take home to mum.

And German born Ernest Messering, 47, of Altona (pictured left), cheesed off with too many of his fish getting away has invented a natty little contraption to stop this happening.

Called an automatic fishing device it is fish

shaped and will be made of plastic when manufactured, with a stainless steel mechanism.

Basically, a light on top of the device flashes when a fish is nibbling at the bait.

The fish puts its mouth around the bait and sucks it in and the rod balanced on a spring on the mechanism is snapped over by the weight of the fish.

Meanwhile the fisherman already warned by the light, winds in his catch.

Mr. Messering who lives at Kookaburra Street, Altona, emphasises that the device will not put any other fishing equipment out of use.

He says: "It is designed to be used in conjunction with a fishing rod which is slotted in the top."

"When the fish bites the rod is pulled from a vertical to horizontal position ready for winding in."

"The device is fixed on a stick which is secured in the ground. For boats there is a special clamp."

Mr. Messering says that it took him 11 months to develop the device.

Before patenting it he has to find a manufacturer who will make it up for him in plastic in completed form.

It can be adapted to swing from side to side to go with the fish in rough water, or with a hand grip for hand fishing.

The whole mechanism can be varied depending on the condition of the water.

He adds: "I have tried it out several times and caught many fish and eels."

CARD NIGHT A SUCCESS

The Altona Citizens held their first card night for 1971 this week.

There was a fairly good attendance, and it is hoped that the attendances will rise.

Members are asked to keep the first Friday of every month free.

Good crowds also attended the games nights on Tuesday and Thursday evenings at the centre.

The special effort winners were Mrs. M. BOYLE and Mr. MARSHALL.

Winners of this week's

competitions were Mr. E. Hook and Mrs. M. Bonnet, cards; Mr. and Mrs. Hansen, Mrs. J. Rowe, Mrs. R. Benson and Mrs. D. Griffiths, bowls.

The next monthly dance will be held on May 15. Their will be prizes and supper provided.

The entrance fee is 30 cents.

FILM DAY

The Brooklyn West Primary School Mothers' Club will be holding a film festival at the Brooklyn Presbyterian Church Hall, Paringa Street, North Altona on May 18.

The main feature will be "The Flintstones Swimming Pool," supported by cartoons.

The show will start at 1.30 p.m.

Admission will be 40 cents for adults and 20 cents for children.

All proceeds will go to the club.

Facelift for bowling club

Altona Bowling Club is freshly painted inside and out to receive new members who would like to play indoor bowls.

The president of the club, Mr. Bon Deacon said:

"Bowling is not an old people's game. I play it myself and I'm only 46."

"I'm only sorry I didn't start before."

The club is next door to the shire offices. There are about 90 men and 70 women members.

Indoor bowls are held every night except Sunday and pennant bowls are on Tuesday nights, starting at 8.00 p.m.

Lack of experience is not an obstacle, as there

are qualified coaches in attendance.

For more information, ring Mr. Deacon on 398 1259.

Val's Column

HELLO GIRLS,

What is the difference between a line and a wrinkle? Wrinkles are caused by lack of moisture in your skin. Dryness that ages. When you are a baby your skin is 65 per cent. moisture, then when you are thirty five, it is down to 25 per cent.

Therefore, it cannot be as "plump", as firm, as rounded. As smooth, or as soft. Moisture pads out the skin, then as it goes the skin shrinks, causing wrinkles. Lines are caused by lack of oil glands.

Everything you make an expression you force oil out of your skin, where it bends. As the oil goes your skin becomes less resilient, doesn't bounce back. Finally the crease stays there, as an expression line.

Now what are you going to do about it? For wrinkles — a cream full of moisture. In the daytime "Moon Drops" products by Revlon — Moon Drops tender Makeup or Eterna Under Makeup.

Cyclax, Milk of Rose, Creme Dew or New Juvex Eye Cream and New Juvex Moisture Film. For wrinkles at night time — "Moon Drops Moisture Balm" or Moon Drops Nourishing Night Cream. Cyclax Moistura.

These all put moisture back into the skin — remember be regular — we lose moisture regularly, therefore needs replacing regularly. For those lines — lost oils remember.

Revlon's Moon Drops range for day wear and Eterna if you prefer. Cyclax Milk of Roses and Creme Dew. Night time — Moon Drops again or Ultra Enriched Waking Beauty Night Cream. Cyclax suggest you massage "Special O" or "Special Baby" cream to stimulate circulate while massaging muscles under the skin to tauten and strengthen or massage with Emollia. Using upward, gentle but firm movement.

Still using that black or dark brown eye liner? Smarten up your face highlighting ideas — use colors corresponding with your eye-shadow shades. Blue with blue, plum with mauves, green with greens; you name your color. Revlon Fabulness in a variety of shades. Color mate eyeliners or Hypo-allergenic natural wonder eye liners. Be smart, open your eyes to color.

Bye.

The pioneers

The Peace Celebration Committee of Altona, July 19, 1919.

THE FLEMINGS

Mr. Lawrence Fleming and his wife, Annie Rose moved to Altona from Footscray in 1912.

Their sons, Larry and John attended school with other Altona children in a hall built by Mr. Lawrence and his brother in the garden.

Mr. Larry Fleming, of Blyth Street, remembers the teachers well.

He said: "When the school started in 1915 the first teacher was Miss Bavington, who was a lovely girl in her early 20s. She only stayed for three-four months.

"Then Miss Cutts took over. She boarded with our family.

"I'm afraid I wasn't at all fond of Miss Cutts.

"Having the school at home meant I was never late, but can you imagine what it's like to have a teacher you loathe not just in class, but also for breakfast, lunch and tea?

"The next teacher was Jossa Morton, who was a big man and taught us with the help of an 18" strap nailed to a broomstick. A canvas blind divided the room and Mr. Morton's daughter was teaching another class on the other side. The noise was deafening.

"Mr. Borrack, who was my favorite teacher, was a dear old man. He coached my brother, John, who became the first dux of the school.

"The next school was in the Old Progress Hall.

"The Education Department started the first school on the condition that at least 14 children should attend.

"John who was then three years old, made up the quota."

The Flemings' great-grandfather migrated from England in 1840 and settled in Newport.

Mr. Fleming said: "An Aborigine from the Yarra Yarra tribe, called King Billy used to watch my great-grandmother bake bread.

"When we first came down to Al-

tona, we camped under a pine tree, where the life saving club is now.

"There were about ten houses in the vicinity. I remember an old lady, Mrs. Carr most vividly. She always wore a tall, black hat, the kind old women once wore in Wales. All the children were awed by that hat and we thought she was a witch.

"My mother invited the Church of England minister to come down to Altona in Christmas, 1914.

"A lot of people who were camping on the beach came to hear the gospel preached. The minister was horrified by all the women who were standing around in their bathers. He didn't come back.

"Then mother invited the Methodist minister, but he, too, was horrified.

"We finally got Mr. George Loft, a member of the Newport Baptist Church to start the first Sunday school.

"At one time there were 10,000 soldiers camped in Altona and their tents spread through four streets.

"It was known as Billy Hughes' conscript army.

"We had tea rooms down the back, where my mother used to serve afternoon tea to the soldiers, their wives and girl friends.

Mr. Larry Fleming is sad about the fate of Altona.

He said: "The beautiful sweep of the beach is spoiled by the beach wall and the houses are built much too close.

"I think the Esplanade should extend from the beach right to Queen Street.

"In the early days Altona was recognised as one of the healthiest places in Melbourne.

"Now it's spoiled by industry and all the clean air disappeared."

NORTH WILLIAMSTOWN CHURCH OF CHRIST

A night of prayer will be held on Thursday, May 13, between 7.30 and 9.30 p.m. All are invited to attend this night of prayer which will be held in the chapel. It will consist of four half-hour periods of meditation — each half-hour representing a different prayer focus. Those coming may stay for the entire period of two hours. OR for one of the half-hour sessions which commence sharp at 7.30, 8.30 and 9 p.m. This night of prayer is part of the final preparation for Mission '71 being held for four days at the end of May (27 till 30).

The Happy time for Children continues this week on Wednesday, Thursday and Friday (between 10 a.m. and 11.30 a.m.). A truly happy time is promised for all children six years and over. The next Christian Women's Evening Fellowship meeting will be held on Wednesday, May 19, at the home of Mrs. R. Tan-

ner (31 Crawford Street, Newport). Programme will feature Tea Towels From Around the World. All ladies are welcome to attend.

A general distribution of brochures for the Mission '71 will be made during next week. These brochures will advertise the details of the meetings to be held on Thursday, Friday, Saturday and Sunday, 27th till 30th May. Theme will be Christ For a Changing World. Speakers will be L. G. Armstrong of Brisbane Church of Christ.

HOLY TRINITY.

Next Sunday the services will be at 8 a.m.

and 11 a.m. (Holy Communion), and 7 p.m. Evening Prayer. On Tuesday there is a time of intercession in the Chapel at 11 a.m. and on Wednesday Holy Communion at 10 a.m.

An attractive History of Holy Trinity is now in the hands of the printers and all being well will be available by June 20. Back to Holy Trinity Sunday. Centenary celebrations will commence on Saturday, June 5, with a Men's Breakfast at 7.30 a.m. at which Mr. F. H. Brooks, Director General of Education, will be the guest speaker.

Training course

Mr. L. W. Johnson, of the Bank of New South Wales, Altona, has been attending a two-week course at the bank's staff training centre, Melbourne.

The course is one of many conducted at the centre throughout the year and includes lectures, practical work and audio-visual instruction.

The centre is equipped to train all staff up to accountant level.

Commenting on the course, the manager of the "Wales" at Altona, Mr. D. C. Eury, said it was necessary for each officer to attend training courses at various stages of his career.

This would fit him for the added responsibilities which came with promotion and the bank's rapid expansion.

PARCELS MOVED

Two men have been questioned by Altona police in connection with the attempted theft of 12 parcels from the Altona railway station.

Police spoke to the men near the station after they found 12 parcels had been dragged to the end of the platform.

The door of the station was later found to have been pried open.

The men were questioned at Altona police station.

DAY, NIGHT AND WEEK-ENDS

THE CURTAIN RISES

by Thisbe

When you are reading this I will be about 150 miles away on a small island which does not have television, radio or newspapers.

I hope to catch up with my reading, write a little and enjoy the special charms of this delightful piece of earth.

People who are interested in the theatre read a great deal.

They read newspapers, reviews, articles about plays, historical detail, books on costume and furniture, and of course, new plays.

When they read a play, they have to consider whether it will be suitable for production.

At Williamstown we look for a play which is the best of its type, whether it be comedy or drama.

We must consider the size of the cast and whether suitable people will be available at the right time.

Plays with many sets are carefully considered and must often be discarded because of our limited space on stage and in the wings.

Sometimes the play we choose may not be popular with all our audiences, but it is always the result of careful consideration.

We always need help to make a wise choice. If you are interested in the production of your favorite play, why not write to us at the Williamstown Little Theatre, P.O. Box 35, 3016? We would like to hear from you.

COURT HOUSE

A new court house will be built in Williamstown as soon as funds become available.

The Attorney-General, Mr. Reid, said this in reply to a question from Mr. Larry Floyd (MLA, Williamstown).

Mr. Reid said the Law Department had already obtained the approval of the Treasury for preparation by the Public Works Department of contracts for the new building.

The new court house will be built on the site of the old court, which burnt down in March.

'Kinda' talk

The secretary of the Blyth Street Kindergarten Committee, Mrs. Helen Verity, wrote to The Star this week to explain the role and working of the kindergarten.

She said: "The Altona Infant Welfare and Pre-School Centre has only been built 13 years.

"We have always had the generous support of the local people, as far back as 1947 when the first committee started planning for the future.

resident Health Centre sister.

Over the years, the mothers have been successful in providing the smaller items needed to run the kindergarten and

also extra playing equipment, fans and record "During this time we have had the help of several directors.

Mrs. Spacek is our present director, and she is ably assisted by Mrs. Antonoff.

Sister Price-Jones is our player.

With money raised, the mothers have helped the infant welfare centre with books, toys, curtains and several other items.

An important part of a child's growth is firstly to attend the infant welfare centre and when old enough to go the pre-school kindergarten.

All the mothers are more than willing to help in any way possible. They are also invited to come and spend the morning or afternoon at the kinder. This is mainly for them to see how and with what their child occupies his or her time.

Most of the children think it is wonderful when their mother comes to help pour the milk and cut their fruit.

Some of the activities that the children are involved in include: painting; drawing; singing; playing dress-ups in the home corner; building with blocks; listening to stories which are read by either mothers or the teachers.

They have a special nature table, on which they place any bugs, beetles or anything which may be of interest to them and their friends.

Another item purchased was an old boat, which gives many hours of pleasure to the children.

The wonderful world of make believe that a child enjoys is encouraged at the kindergarten.

This is important to any child facing the world we live in.

It is only one of the reasons that the mothers work so hard to provide a kindergarten for your child.

The committee and the mothers could not meet a commitment as big as this on their own.

The generous support of local firms, shop keepers and the public has played a big part in making this kindergarten the success it is today.

The committee's agenda for 1970-71 is to hold a meeting at the kindergarten once a month to discuss ways and means of raising money by holding special efforts, theatre nights and a cake stall.

In addition to this, we held our first beetle night on Wednesday, March 25, and it was both a successful and an enjoyable evening.

It has been suggested that this become a monthly event.

The mothers treated the children to Easter eggs, and they are arranging a fancy dress party, a car trial (which is aimed at being a family outing) and also their annual Christmas break-up party, where they each receive a small gift.

Nothing but stones

Protests from Electra Street residents lead to last week's council discussion about parking meters.

Residents complained to Cr. Peter Lalor that the nature strip outside their houses was being torn up by cars.

Cr. Lalor said one man told him he used to be able to cut the grass on the nature strip outside his home.

Since shoppers were being forced to park so far from the shopping centre, all there was left to cut now was stones.

ACCIDENTS

Altona police report that there have been 38 road accidents within the shire since January 1.

Only one has been fatal.

Wanted engine

A man told Williams town Court last week he didn't notify the Motor Registration Branch about buying a car because he did not intend to drive it.

Theo Theunissen, of 47 McIntyre Drive, Altona, pleaded guilty to a charge of having failed to forward notice of acquisition on September 10, 1970 to the Motor Registration Branch.

Theunissen told Mr. F. Clancy, SM, he only wanted the engine of the car.

Constable Terrence Stephens, of Williamstown police, told the court Theunissen had since paid all the fees in full.

TO BE WED

The marriage of Miss Lyn Blanchard, of Altona, and Mr. Jeffrey Cameron, of Laverton, will be celebrated at St. Eustachy's Church of England, Queen Street, Altona, next Saturday.

Worse than Hong Kong

Cr. Peter Lalor compared Housing Commission units to be built in Williamstown to the type of flats built in Hong Kong.

Speaking at last week's council meeting, Cr. Lalor said each unit would only be 22 feet by 12 feet in size. He said: "They build things like this in Hong Kong. The units may be better than the homes elderly people come from, but I would be surprised."

Council was told the Housing Commission expects to call tenders soon for the construction at the corner of Hanmer and Thompson streets of units for single, elderly people.

The Commission presented council with a formal agreement about the flats for sealing by council.

Cr. Lalor said one of the clauses of agreement was that council should pay half the rates it collects from the flats to the Housing Commission to help with up-keep of the flats.

He said the people of Williamstown would be sponsoring pensioners living in the flats, possibly at the expense of other el-

Won't take tradesmen

The Minister for Transport, Mr. Wilcox, has told Williamstown council the Victorian Railways have no plans to advertise for more tradesmen or assistants for the Newport workshops.

Cr. Ron Dawes told council last week there was no hope of keeping the workshops going as a balanced production unit unless it employed more skilled tradesmen.

Altona notch points

Altona played Moorabbin at Altona on Saturday to score their first point for the '71 season.

After a run of outs, Altona took the field supremely confident that they would lift themselves and give hope to supporters who have stuck by them throughout their unsuccessful opening three games.

Following the same pattern of previous games, the A's went into attack from the opening whistle, keeping Moorabbin under pressure.

Jock Smith, at centre half played a steady game giving his forwards plenty of work.

Ross Ford worked hard at centre forward to score for the A's.

Moorabbin had to play hard to score the first goal, but for the second week in succession Altona retaliated with an unsaveable goal from Wal Lenyszyn as a result of a penalty corner, five minutes later.

Both sides were even at half-time. The big question was, would Altona slow down during the second half as they have done in previous matches.

This was soon put out of everybody's mind when the young A's showed their desire to win and put in another goal, only to see it disallowed by the umpire.

What a different side this was to the previous weeks.

With everybody showing a tremendous amount of determination, Altona went on to put another two goals in the net only to see them both disallowed.

Altona were very unlucky not to have scored the winning goal but were satisfied with the one point draw against Moorabbin.

Training has now increased to include 8 a.m. Sunday mornings, and along with the good draw on Saturday, Altona must surely be on the way to a well deserved win.

GOAL: W. Lenyszyn.

Best: Blakiston, Ford, Bartlett.

C. Grade

Altona defeated Strathmore 2-0 at Altona to

remain undefeated after four games.

The defence, including the halves, are settling down well and have had only one goal scored against them. At the other end the forwards

by Lincoln Green

are moving well until they reach the circle and then it becomes congested and the forwards find it hard to find the net.

However, they were awarded several penalty corners. The Bennett, Brynes and Robertson combination converted two of these into goals.

Goals: K. Robertson 2. Best: Willet, Brynes, Smith.

UNDER 16 Altona fought back from 1-0 down at half time to run out winners against Camberwell last Saturday.

The defensive play of I. Daly, J. Forrester and G. Robinson around the

circle area repeatedly turned out many attacks in the first half.

Showing more determination to score in the second half, resulted in goals being scored by K. Bennett and J. Mallet, which notched the "A" first win for the season.

Final scores: Altona 2-Camberwell 1.

UNDER 14

An over confident Altona team were defeated 2-0 by Croydon last Saturday.

Their inability to find the net once inside the circle also brought about their downfall.

The had many chances to score.

Strength was lost on the forward when inside-right M. Burgess was struck in the face with a ball and had to be replaced.

S. Ranger, playing his first game in this team on the back line put up a creditable performance.

Best: A. Relf, S. Ranger, G. Studley.

Only Williamstown Colts and Linton Esplanade Heided the same line-up as they did the previous season in the Western 5 a.m. r.b.s. "A" grade table tennis pennant.

Williamstown Colts withstood a determined challenge from Linton Esplanade, but eventually lost at 6-5, because of a slightly stronger singles effort.

Steve Slattery and Barry Taylor for Colts and Dave Fowler with Kevin Lambert for Linton each won two rubbers.

Maribyrnong with Alby Mitchell made a successful comeback after a five-year break, defeated Centre 11-6. After a great battle Mitchell won singles rubbers and combined with Frank Kovacs and Des Jones to win both doubles rubbers to clinch the match for Maribyrnong.

Sunshine (Loone-Watson-McNee) defeated Westerns (Blythman-Doyle-Ross) 7-4 with Lindsay Loone dominating the match for Sunshine with three singles wins plus combining with Barry Watson to win the second doubles rubber and then defeated veteran Dick Ross to win the match for Sunshine.

Other good performances were by Barry Watson (Sunshine) and Ray Blythman (Westerns) who won two singles rubbers each.

"B" United (Borkut-McLaren-Thomas) were in devastating form against the newly upgraded Goetz and won 9-0.

Naval Dockyards were too experienced for the "B2" sumoers, but lost 2-9 against the talented Naval Dockyards.

Avondale Heights community club, and 2 teams closed in around team 1 and ran out winners at 7-4.

Best players were Brian Scott and Peter Scown (team 2).

Westerns could be top contenders for the Winter Pennant "B1" flag after a good effort of defeating Ballarat, Rowan Meths, 7-4.

Reckitt and Colman soared to top place when they surprisingly defeated Rheem 11-0 while Westerns (Lewis-Hooks-Fellows) defeated a determined Ebeling combination 7-4 and McKenzie and Holland (1) defeated McKenzie and Holland 2-0 in a terrific match.

Joe Cosha and Mario Grego were the top players of the game.

F. & T. Carpets produced their best form for some time when they narrowly defeated Maribyrnong 6-5.

Rudy Gregor was a match winner for F. & T. with three best wins.

"B3" Altona's Bertram family were too big a hurdle for AGM to overcome and Bertram ran out comfortable winners at 10-1.

Newport Post Office produced excellent form to defeat McKenzie and Holland 9-2 while Salvation Army (Williamstown) won 10-1 against a defeated Westerns team.

"C1" Avondale Heights CYC commenced the season with an easy 10-1 defeat of Westerns while BC Youth (1) defeated Westerns 10-1.

Inexperienced Altona players did well against Olympic General Products but went down fighting losing 3-8.

Rob Taylor and Don McConnell won three singles rubbers each for Olympic General.

Footscray High School play-

ing in their first competition match were too good for McKenzie and Holland and won 9-2, while Newport Post Office won well against St. Andrews CC at 9-2. Jim Pattison won three singles rubbers for Newport PO.

Avondale Heights CYC youthful C2 team were too experienced for their older competitors, Castrol Social Club, and won the match 7-4, while ACI Design Centre overcame the Summer Pennant "D2" premiers Centre, now playing as Westerners after a long struggle.

Best players were Robert Dennis (ACI), three rubbers, and Neil Fowler (Westerns), two rubbers.

"D1" Nova's youthful combination could be top contenders for the "D1" flag following an excellent 9-2 win over Footscray High.

Altona Working Men's Club should rank as another threat for the "D1" flag following an 8-3 win over Seaholme.

Kevin Peachey was in dynamic form for AWMC winning all three rubbers.

Scots were fortunate to receive an 11-0 walkover from Triangle to go to the head of the ladder.

"D2" Australian Glass started the season with the closest of wins over Ebeling & Sons at 6-5.

Leo Pacific won all three rubbers for Ebeling's.

Footscray High (1) defeated St. Mary's 3-15.

In the meantime more Footscray High (2) while St. Marks defeated Westerns 8-3. Williamstown Youth Centre received an 11-0 walkover from Kingsville YMCA.

Altona A defeated St. Andrews in one of the most exciting netball matches of the season last Saturday.

Both teams were fighting for first place, both had been undefeated so far.

The first quarter found Altona flat-footed and St. Andrews one goal up.

In the second it developed into an even game, in which the tenacity and training of the Altona girls won out to defeat St. Andrews by six goals.

Final scores were Altona A 27 defeated St. Andrews 21.

In the summary the results of the other games in the round were:

A - Reserve. Continuing with their winning run, they defeated St. Mary's easily 33-3.

B1 - easily defeated St. Mark's 48-18.

With two regular girls out of the team, Altona were still far too strong for St. Marks.

B2 defeated Holy Trinity 28-6. These girls are playing well and combining as a team.

Playing last years runners up in C Grade were far too strong for Yarra Cong's. Final score 19-2.

C Grade - Bye.

Next weeks games: A-Grade v. Willy Cong's at Wilkin St. 1.45.

A Reserve v. John St. at North S.S. 3.15.

B1 v. Altona Pressy at A.H.S. 1.45.

B2 v. St. Mary's at Seaholme. 1.45.

B-Reserve v. Westgate two at Seaholme. 1.45.

C-Grade v. Holy Trinity at S.S.S. 1.45.

Rugby wins to Altona

Altona teams won all of their games in the Westgate Junior Rugby Union competition at the weekend.

There will be no matches during the school holidays.

The Westgate Under-12 team will tour Sydney visiting the Eastwood Junior League.

They will leave on Saturday, April 15 and return on April 22.

The results of last week's games were:

UNDER 12. Williamstown/Altona Ramsdens 11 d. Sunshine nil.

Playing at home at Footscray Park, Sunshine was not able to get its backs moving against the stronger running Ramsdens.

Both teams show improving abilities with cleaner scrummaging, faster ball handling, and more determined running.

The superior tackling of the Ramsdens stopped Sunshine scores and decided the game.

Scorers: Tries, W. Manoussakis 2, M. Humphries; Goal, D. Anderson.

UNDER 14. St. Paul's College 20 d. Sunshine 8.

Teamwork was responsible for this good win by St. Paul's at Footscray Park.

Confining their play to basic set moves involving each player St. Paul's looked impressive.

Players being in the required positions to execute winning attacks, which Sunshine failed to stop largely due to being caught out of position.

Scorers: St. Paul's Tries M. Gilmour 4, T. McShane 2; goal, P. Angus.

UNDER 16. Altona North 14 d. Box Hill 'B' 9.

Playing at home at Langshaws Reserve, Altona North, continued their winning run.

This was a hard game, never really in doubt, but with Box Hill keen to notch the points Altona North had to concentrate to hold the points.

Box Hill relied too much on using their physical abilities whilst Altona North confined themselves to rugby skills.

Scorers: Tries, J. McKendrick 3; goals, J. McKendrick 2.

FOOTY MATCH A match will be played between the past and present Altona City Football Club players at Grant Reserve on May 23.

The game is scheduled to get underway at 2 p.m. Past players interested in playing the game should contact either N. Drew, at 20 Fresno Street, Altona or L. Thompson, at 61 Greive Highway.

Mr. Thompson can be run on 398 2186.

Criminals run wild

(from page 1)

He said: "I will push for stronger action on the issue through council."

"You can't blame the police department. I believe they've done everything in their power and apparently struggle to do this much."

Cr. Carlsson said: "The matter was beyond the control of the police and must be taken up on a State Government level."

Chamber of Commerce president, Mr. Frank Smith, who is also a Pier Street businessman, said:

"I think ultimately the manning of the Altona Police Station 24 hours a day is the solution."

patrols would seem to be the answer."

He said: "But I think this is economically impossible."

Thieves and vandals have been active this year.

On New Year's Eve, six shop windows, one of them costing \$200 to replace were broken a matter of yards from the unmanned police station.

Later, thieves boldly broke a plate glass door at the front of Pat Morton's Boutique in Queen Street and stole several hundred dollars worth of clothing.

Last Friday night thieves were disturbed in Serace Brothers Cafe, in Pier Street, Altona.

They had also broken a plate glass door at the front entrance of the shop.

This shop is also a matter of yards from the unmanned police station.

EYES OVER TARGET LINE ON PUTTS

Many times a golfer will find his putts rolling off-line for no apparent reason. When this occurs it may well be because his eyes are not aligned exactly over the target line.

When you address your putts, make certain your eyes are directly above this line. They need not be exactly over the ball—they may be in front of or behind it—but they should be over the line.

This positioning will allow you to see the line without any of the distortion that might occur if your eyes were too far inside or outside the line. You will be able to position your clubhead so that it faces directly down the line that you have chosen. Finally, such placement of the head over the ball will allow you to move the putterhead better along the proper line during your stroke.
